Re: ***Developing a Unified Intercarrier Compensation Regime* CC Docket No. 01-92 Ex Parte Notification**

Dear Ms. Salas:

On behalf of AT&T Wireless, this is to notify the Commission of an *ex parte* communication, in accordance with Section 1.1206 of the Commission's rules. 47 C.F.R. § 1.1206. On September 25, 2001 Doug Brandon of AT&T Wireless and I met with Gregory Vadas, Stacy Jordan and Joseph A. Levin of the Wireless Telecommunications Bureau and Josh Swift of the Common Carrier Bureau. The parties discussed issues related to inter-carrier compensation between CMRS providers and rural LECs and access charges for CMRS providers. AT&T Wireless reiterated and discussed positions taken in its comments on these issues in the above-referenced docket.

Pursuant to Sections 1.1206(b)(2), we have filed this notice electronically in the docket referenced above. If you have any questions with regard to this matter, please contact the undersigned.

Very truly yours,

Davis Wright Tremain LLP
